Effingham, NH 03882

Dear Board Members,

At their regularly scheduled meeting on 3/28/2022, the Board of Selectmen in the Town of Ossipee voted to support the Meena LLC gas station project at the former Boyle's Market in Effingham, as long as all Federal and State rules, regulations and laws are followed. Please consider this letter an endorsement of the project, with such conditions as described above.

Regards,

Matt Sawyer Jr,
Town Administrator
