Groundwater Protection Vote is March 28

Vote at the K.A. Brett School 8:00 a.m. to 7:00 p.m., Warrant Article #2

110 New Hampshire Towns, after much research and community dialogue, have passed groundwater protection ordinances. Tamworth citizens and town leaders have drawn upon the best elements of these ordinances to develop and present this proposal to Tamworth voters. The measure will set reasonable safeguards to ensure that Tamworth's future citizens will have access to clean, safe drinking water.
